

Jupiter is proud to offer TAA compliant collaboration and control room solutions to serve our federal, state and local government customers.

Jupiter's Videowall in a Box solution, when sold as an integrated "end product," is a "U.S.-made end product" as defined at Federal Acquisition Regulation (FAR) 52.225-5, and is therefore Trade Agreements Act (TAA)-compliant.*

Jupiter's Videowall in a Box is comprised of the following four components shipped as a single TAA compliant SKU

1. CRS-5K
2. Canvas software
3. Pana 21:9 ultra-wide 5K LCD –
select from touch and nontouch configurations in 105" and 81" sizes
4. SimpleShare™ software

TAA bundle is applicable for the following SKUs, VWB105D, VWD105T, VWB81D, and VWB81T

Visit Jupiter.com to learn more about our videowall solutions.

*The "TAA-compliant" designations made herein are intended solely for the purpose of communicating the availability of TAA-compliant SKUs (Stock Keeping Unit) for specific product bundle(s), and are not categorical product classifications. The TAA-compliant designations used here are solely for the purpose of making known that TAA-compliant SKUs are available for purchase, and that interested customers should inquire with their Jupiter sales representatives for more information.
