CollabTouch™ by Avocor

Solutions for interactive video collaboration

Enable interactivity in rooms on your UC platform of choice*

zoomrooms

RingCentral

CollabTouch delivers an exceptional interactive experience in your meeting spaces with your UC Platform of choice. With options suitable from small to large rooms, meeting participants will experience crystal-clear audio and video, whether participating in room or remotely.

CollabTouch is available from your preferred collaboration reseller in easy-to-purchase and deploy all-in-one configurations that utilize a single power cable for a quick and easy installation experience.

In partnership with
logitech

INTERACTIVE CAPABILITIES:

Call management on the display*

In-call whiteboarding*

On-screen annotation*

Support for marketplace interactive room applications*

* Dependent on UC platform features

Choose an Avocor CollabTouch™ solution based on interactive requirements and budget
