

SM-MPC-W

Surface Mount Backbox for MPC, white

A stylish, versatile surface enclosure for any MP Series Media Presentation Button Panel, MPC Media Presentation System, or IPAC Integrated Professional Automation Computer. The SM-MPC provides a stylish and convenient on-wall enclosure for any MP Series Media Presentation Button Panel, MPC Media Presentation System, or IPAC Integrated Professional Automation Computer. The device's front panel is straight when installed in the enclosure. The complete assembly may be placed on a wall. Wiring may be passed out the rear of the enclosure or routed through different knockouts on the bottom, top and the sides of the unit. Available in Black and White.
