

# TSW-770/1070-MUMK

## Mullion Mount Kit for TSW-770 and TSW-1070 Series

- Permits mounting a TSW-770, TSW-1070, TSS-770, or TSS-1070 series touch screen to the mullion of an interior glass wall, window, or partition
- Ideal for mounting at the entrance to a meeting space for room scheduling applications
- Installs in either side or front mount configuration
- Wiring is run inside the mullion for a finished appearance
- Compatible with TSW-770-LB and TSW-1070-LB light bars for a clear indication of the room availability status
- Available in black or white finish

The TSW-770/1070-MUMK permits a [TSW-770](#), [TSW-1070](#), [TSS-770](#), or [TSS-1070](#) series touch screen to be attached to the mullion of an interior glass wall, window, or partition. The TSW-770/1070-MUMK mounts a compatible touch screen to the left or right of any hollow, metallic vertical mullion. Two mounting brackets are provided that allow the TSW-770/1070-MUMK to be installed in one of two configurations (side mount or front mount). Wiring is run to the touch screen from inside the mullion to create a clean, finished appearance.

The TSW-770/1070-MUMK is ideal for mounting at the entrance to a meeting space for room scheduling applications, and it is compatible with the [TSW-770-LB](#) and [TSW-1070-LB](#) light bars to provide a clear indication of the room availability status.
